

# STAR OF NEW GENERATION1 COMPANY LTD.

***“MENTAL HEALTH FOR INDIVIDUALS’ AND GENERATIONS’ WELFARE.”***

**Star of New Generation1 Company Limited (SNG1)** is a company that mainly deals with mental health and generational related services. SNG1 is a recognized and registered company in Tanzania with **Reg. No. 171466490**. The company aims at accelerating individuals’ mindset transformation so they can be open to ideas, comprehensively digest and make valid conclusions out of the ideas received. Individuals’ transformed mindset will improve not only their individual but also their generations’ lives. Furthermore, mindset transformation improves individuals’ mental well-being.

SNG1 Company was found and established by Psychologist Baraka Adolph T. Mushobozi in 2021 where it began as an office. As the founder, Psychologist Mushobozi is an expert in providing psychological as well as psychological laboratory related services. He, furthermore conducts trainings, mentorship and coaching programs to individuals and experts within his country Tanzania and from different countries of the world as well. Individuals from such countries as Germany, France, Austria and Hungary have benefited the training, mentorship and coaching programs done by Mr. Mushobozi under SNG1 Company. Mr. Mushobozi has also designed psychological models which guide psychological services provision by SNG1 together with other psychological services providing agents and or institutions. SNG1 owns and is guided by its unique motto **“MENTAL HEALTH FOR INDIVIDUALS’ AND GENERATIONS’ WELFARE.”**

# CHILD SERVICES

At Star of New Generation1 company, we recognize the enduring impact of childhood experiences on a person's well-being. That's why we are passionate about providing exceptional psychological services specifically tailored to children's unique needs. We believe that by nurturing a child's mental and physical health, we are not only investing in their future happiness and success, but also building a stronger foundation for generations to come. Below are various services we offer to empower children on their journey towards productive mental health.
